

## WPUDA LIFETIME ACHIEVEMENT AWARD

The WPUDA Lifetime Achievement Award is the highest honor of the Washington Public Utility Districts Association, recognizing the commitment of an outstanding individual to the philosophy and purpose of public power and to the Washington PUD Association.

Any commissioner, manager, or employee of a member utility of the Washington PUD Association, either past or present, who has shown exceptional leadership in and dedication to the ideals and principles of the Washington PUD Association is eligible to receive this award.

Each member utility is eligible to submit one nomination from its own or another district for this award; the final decision will be determined by the WPUDA Awards Committee.

The winner of the Lifetime Achievement Award will be presented with a trophy.

## THE WILLIAM T. ELMGREN PUBLIC SERVICE AWARD

This award pays tribute to the more than 50 years of public service contributed by former Clark County PUD Commissioner William T. Elmgren.

Any full-time district employee below the manager level who exemplifies PUD commitment and involvement in the community is eligible for nomination. Candidates will be evaluated on the following criteria:

1. Community service that addresses or improves the community's social, educational, cultural, economic, or environmental condition; including involvement in service clubs and volunteer work;
2. Governmental service activities, including membership such as city council, school boards, elected and appointed positions;
3. Professional/technical ability, leadership on the job, outstanding work performance, and relationship with fellow employees;
4. Offices held or leadership in local or other organizations, and;
5. Other related activities.

There is a traveling plaque on which each winner's name and year is engraved for display in his or her district office. A second personal plaque is presented to the employee to keep. In addition, a \$250 contribution is awarded by the PUD Association to a local charity chosen by the recipient.

## GOOD SAMARITAN AWARD

The Good Samaritan Award will be given to a Washington Public Utility District employee or employees who in the past year demonstrated meritorious action in a life-threatening situation. More than one Good Samaritan can be nominated if involved in the same incident.

The nominations for this award can be made by the manager, commissioners, or employee group; the final decision will be determined by the WPUDA Awards Committee.

The winner of the Good Samaritan Award will be honored with a personal plaque.

## HERITAGE LIFE MEMBER PROGRAM

The Heritage Life Member program was established so that the PUD Association can maintain social relations with former PUD commissioners, managers and other special friends of public utility districts, and can benefit from these individuals' wisdom and influence in their communities. Heritage Life Members are invited to certain Annual Meeting functions and receive the PUD Association newsletter and directory.

Former commissioners, managers, association staff and friends of public utility districts having at least five years association with the industry are eligible for membership. The five year prerequisite shall be considered a guideline and justifiable exceptions may be made.

WPUDA members and staff will be asked to submit names of qualified living individuals for consideration by the Awards Committee each year. New inductees will receive a certificate and lapel pin and be introduced at the Annual Meeting.

## WALKLEY EDUCATIONAL SCHOLARSHIP

The Walkley Educational Scholarship is awarded annually to a high school student who is a child of a Washington PUD employee. The scholarship was established by Glenn and Elvira Walkley. Glenn was a Franklin County PUD commissioner from 1945 to 1980. The Walkley's established a \$10,000 trust fund for the scholarship. The scholarship consists of the interest from this trust. In recent years the PUD Association has augmented the award so that the total scholarship amount is \$1,000.

Each year, the Board of Commissioners of each operating PUD may submit to the trustees the name of one student who:

- Is a son or daughter of a parent presently employed by one of the operating PUDs
- Is regularly enrolled as a senior in high school
- Has maintained a grade average of C or better
- Has a record of average participation in high school activities
- Has been chosen in a local drawing

In accordance with the trust, the trustees will choose the winner by lot. The trustees are the President, Vice President and Executive Director of the Washington PUD Association.

The winner and family will be invited to the Washington PUD Association Annual Meeting awards event in December. It is customary for the winner to be the guest of the PUD Association and for the winner's relatives to be hosted by the nominating PUD. The winner will be introduced and will receive a certificate.

## NOMINATION FORM - 2011

**AWARD:**     **WPUDA LIFETIME ACHIEVEMENT AWARD**
